Dear Radio Club,

Thank you from making our 9<sup>th</sup> annual Girls on the Run Celebratory 5k the best one yet! It is our hope that the finish line of the 5k is just the beginning of your girl's journey toward a lifetime of caring, confidence, competence, connection, character and contribution. The 5k is an opportunity for girls to accomplish the goal they set for themselves in August-- to finish 3.1 miles by running, walking, skipping, hopping or twirling. The 5k is also a time to put into action the lessons from the Girls on the Run season and demonstrate our core values.

Your contribution helped to provide the celebratory run for our program and the community. We had our biggest year with 343 girls on 28 teams in 24 schools. We couldn't have done it without your support!

Our 9<sup>th</sup> annual Girls on the Run 5K was hosted on November 12<sup>th</sup>, 2016 at Ft. Tuthill County Park in Flagstaff. There were an estimated total of 900 in attendance, including 245 Running Buddies who ran with the girls, 50 community runners, and 150 volunteers.

At this event, the girls' were enthusiastic as they gathered, ready to challenge themselves. They cheered each other on. They glowed with accomplishment as they crossed the finish line! We even had one girl walk all 3.1 miles on crutches!

Thank you for making this possible and supporting our mission of inspiring girls to be joyful, healthy and confident.

Sincerely,

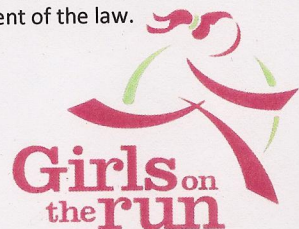

Marney Babbitt  
Council Director
